

The Hello-Who-Am-I-Halloween-Quiz

It shines at night
by the sun's reflected light.

A dead body
wrapped in cloth and sometimes muddy.

Someone that is evil or mad
and puts bad thoughts in your head.

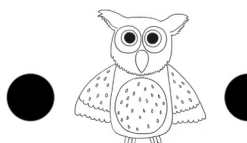

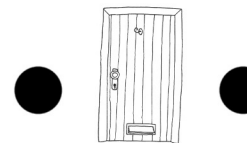

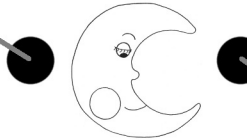

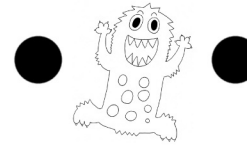

It opens and closes though,
but it is not a window.

An animal flying around
at night and it's brown.

He is ugly and big,
a creature and not chic.

He is male, but like a witch,
any two things he can switch.

It likes blood to lick,
but garlic makes it sick.
